The background is a complex, layered design. On the left, a red and orange flame-like texture is overlaid with a large, grey, metallic Horde crest. On the right, a dark blue and black background features a large, silver, metallic Alliance crest. A diagonal line of light blue and white, resembling a stylized mountain range or a path, separates the two sides. Faint, semi-transparent text from the game world is visible in the background, including 'ELDRASSIL', 'FRIEND', 'IND', 'WYNN', 'BOOTY BAY', 'ORGRIMM', 'DUROTAR', 'KALIMDOR', and 'T MAELIS'.
